• **Answer the following questions.**

Q1. Where was Wangari's home?

Ans. Wangari's home was in a village on the slopes of Mount Kenya in East Africa.

Q2. Did Wangari like studying? How can you tell?

Ans. Yes, Wangari liked studying. She got a lot of books for herself and learnt more with each book she read.

Q3. What did Wangari study in US?

Ans. Wangari studied about plants and how they grew when she was in US.

Q4. What did Wangari teach villagers to do?

Ans. Wangari taught villagers how to plant trees from seeds. When the trees grew big, the villagers sold them and used the money to look after their families.
