● **Answer the following questions.**

Q1. In what way did the brothers agree to test their sight?

Ans. The brothers decided to test their sight by reading the inscription on the tablet.

Q2. Why did the eldest brother think he was clever?

Ans. The eldest brother thought that he was clever because he

sneaked out of the house to know what was written on the tablet.

Q3. How many things were inscribed on the tablet?

Ans. The three things that were inscribed on the tablet were:

1. A quotation
2. A flowery border
3. The name of the donor.

Q4. Why did the youngest brother want to take the care of the money?

Ans. The youngest brother wanted to take the charge of the money because he felt that the people were taking advantage of his eldest brother's poor sight.
