5. puzzled- You look very puzzled about something.

• **Answer the following questions.**

Q1. What did the Dai tell the women of the village?

Ans. Dai told the women that the pump water was better for their families as compared to the water in river, lake etc.

Q2. Did the women of the village listen to Dai? Why? Why not?

Ans. No, the women did not listen to the Dai because of they were not aware about health and hygiene.

Q3. Who is Guddi?

Ans. Guddi is Kokila and Ramu's daughter.

Q4. Why did the pot fly out of Ramu's hands?

Ans. The pot flew out of Ramu's hands because his fingers were dipped in the water kept in it and the water was no longer clean and safe for his family.
