

# Alpha Design

Draw a pencil sketch of the alpha design and colour it using poster colours as shown.

# Design

Draw and colour the patterns in the space provided.

# Tortoise

Follow the steps to make the tortoise.

Step 1

Take two paper plates, fevicol and water colours.

Step 2

Cut a paper plate into the shape of legs and the head with the help of scissors as shown.

Step 3

Now, paste legs and head on the other paper plate as shown.

Step 4

Now colour it using different water colours.

Step 5

Make eyes to complete the tortoise.
