

Little Things

Have you seen a dripping tap in your home or in the school? Drops of water keep falling from it. You may think, 'It's only some drops of water, after all.' But if you keep an empty bucket under it, what happens? Talk about this in class.

Little drops of water,

Little grains of sand,

Make the mighty ocean

And the beautiful land.

Little deeds of kindness,
Little words of love,
Make our earth an Eden¹,
Like the heaven above.

¹Eden: heaven
