ACTIVITY 6

Estimate the quotient by Rounding off the numbers:

1. $34 \div 5$

    34 Round off to nearest 10 = 30

    $30 \div 5 = 6$

2. $179 \div 18$

    179 Round off to nearest 10 = 180

    18 Round off to nearest 10 = 20

    $180 \div 20 = 9$

4.. $247 \div 47$

    247 Round off to nearest 10 = 250

    47 Round off to nearest 10 = 50

    $250 \div 50 = 5$

5. $57 \div 6$

    57 Round off to nearest 10 = 60

    $60 \div 6 = 10$

6. $438 \div 24$

    438 Round off to nearest 10 = 440

    24 Round off to nearest 10 = 20

    $440 \div 20 = 22$
