- **Answer the following questions.**

Q1. What was the problem in Hamelin?

Ans. The problem in Hamelin was that it was full of rats. They were everywhere from schools, shops, to streets and houses.

Q2. How did the people of Hamelin try to solve the problem?

Ans. The people of Hamelin knew of no way to solve the problem. The cats in the city too could not chase and eat them all.

Q3. Who offered a solution to the problem?

Ans. A stranger offered a solution to the problem. He went to the mayor to offer his services.

Q4. How much did the mayor offer to pay the piper?

Ans. The mayor had offered to pay a hundred gold coins to the piper after he was able to get the city rid of cats.

Q5. Why did the piper take the children away?

Ans. The piper took the children away in order to teach the greedy mayor a lesson.
