**▶ NOTEBOOK WORK**

**▶ WRITE SHORT ANSWERS-**

1. Why are human beings described as the most important resource?

Ans. Human beings are described as the most important resource because it is only through human skills and education that we can find, extract and then put different natural resources to use.

2. What is the problem with the distribution of population in India?

Ans. The distribution of population is uneven. Some areas are thickly populated while others are thinly populated.

### **ANSWER THE FOLLOWING QUESTIONS-**

1. What are the main problems of India?

Ans. The main problems of India are poverty, shortage of food, schools, colleges, medical facilities and employment opportunities.

2. Why cannot the migrants do well in the cities?

Ans. The villagers move to cities in search of jobs. Such people are called migrants. Due to lack of proper education, they do not even get good jobs and end up working on daily wages and in unhygienic conditions.
