# Heart

Follow the steps to make the heart.

1

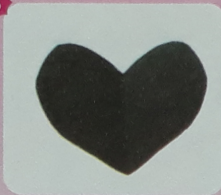

Take a texture sheet and red paper.

2

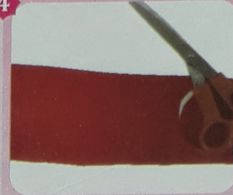

Draw heart shape on the texture sheet as shown.

3

Cut it using scissors as shown.

4

Now take a red paper. Draw a spiral shape and cut it out.

5

Then fold it in flower shape as shown.

6

Paste flowers on the heart shape as shown.

7

Paste thermocol balls as shown.

8

Now paste ribbon at the backside of the heart as shown.
