

Peacock

Follow the steps to make a Paper Peacock.

1. Take a paper sheet and two coloured sheets – Green and Blue.

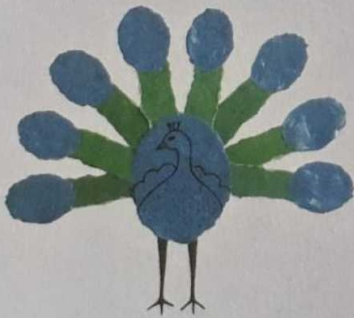

2. Tear strip shape pieces from the green sheet and paste them on the sheet as shown using glue.

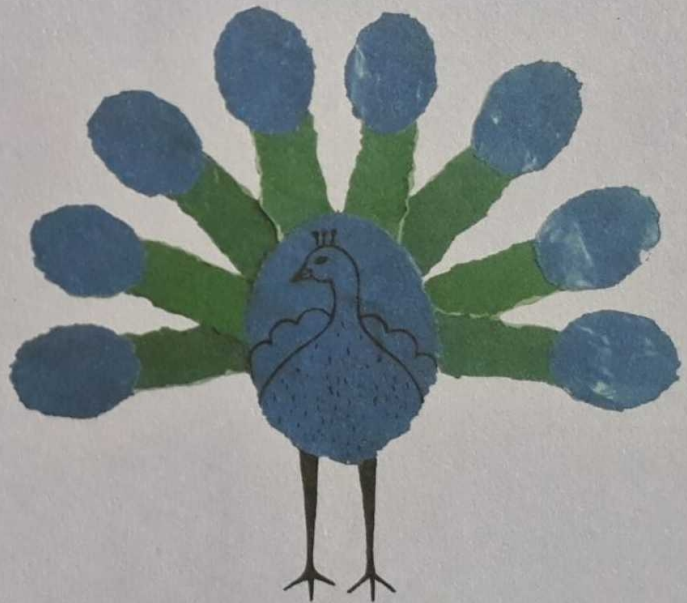

3. Then tear oval shape from the blue paper and paste on the strips.

4. Paste big oval shape and draw peacock's body outline.

5. Draw legs as shown.

Lovely Peacock is ready !
