

HOT AIR BALLOON

PAPER CRAFT

Follow the steps using the given sheet to make a hot air balloon.

1 Fold and cut 4 balloons of different colours from the given sheet.

2 Fold two balloons in half and paste one side of both the balloons adjacent to each other.

3 Paste a long thread between the joined balloons.

4 Paste two other balloons with the balloons with attached thread.

5 Cut a yellow strip and paste one end of 3 threads with glue at equal distance.

6 Roll the strip and join the ends with glue.

7 Tie a knot to attach both the parts as shown.
