- **Answer the following questions.**

Q1. How did the Fanny become a spoilt child?

Ans. Fanny had been ill a lot, due to which her mother felt sorry for her and spoilt her.

Q2. What bad habit had she picked up? Did people like the way she behaved?

Ans. Fanny had picked up the bad habit of saying 'I don't want to!'.No, the people did not like the way she behaved.

Q3. Did Fanny really want to turn down Jane's invitation?

Ans. No, Fanny did not really want to turn down Jane's invitation because she wanted to see her new doll.

Q4. Why was Fanny's mother surprised?

Ans. Fanny's mother was surprised because Fanny was unwillingly forced to turn down the offer to spend her weekly sixpence on sweets.

Q5. 'That's the way to talk!' said the old woman and she smiled. Why did she say that, and why did she smile?

Ans. The old woman said that because Fanny had started speaking politely. She smiled because Fanny promised that she would not be rude in future.
