CHAPTER- 15 ADVERBS

**TEXTBOOK WORK**

**Adverb:** An adverb modifies the meaning of an adjective, a verb or another adverb. For e.g.

1. She wept bitterly.
2. Aman meets him occasionally.

**Types of Adverbs:**

1. **Adverb of place:** shows where an action is done. For e.g. The kids are playing **inside**.
2. **Adverb of manner/quality:** shows how an action is done. For e.g. She danced **gracefully**.
3. **Adverb of frequency:** tells us how often an action takes place. For e.g. I **often** go to the park.
4. **Adverb of degree:** tells about the degree or intensity of an action. For e.g. The team is **fully** prepared.
5. **Adverb of time:** tells when something happens. For e.g. She will return **today**.
6. **Adverb of reason:** Connects the conclusion with the argument made in the previous sentence. For e.g. I no longer have the support of the staff. I have **therefore** decided to resign.
7. **Adverb of affirmation or negation:** used to confirm or negate an action. For e.g. I will **certainly** come to help you.

**Interrogative Adverbs:**

- Interrogative adverbs are question words like **why, where, when and how**.
- These words are linked to a verb, adjective or another verb.
- They usually ask questions about time, place, manner, frequency, reason and so on.
